

The NATF Invites you...

To learn more about TETRA

The North American TETRA Forum in association with The Critical Communications Association is organizing a one-day workshop on "TETRA in Canada" on Thursday October 4th from 9 AM until roughly 4 PM at the Holiday Inn Toronto Downtown Centre at 30 Carlton Street in Toronto.

The objective of this workshop will be to broaden the attendees' knowledge on TETRA radio systems and giving them an insight on the benefits of using TETRA for critical voice and data applications. Hear from industry experts on the benefits and challenges they've experienced in deploying and using TETRA.
